Beat 2 is uncertain

Run-off vote seen lighter

Status of the Beat 2 board of supervisors election remained in doubt at press time Wednesday after attorneys for the two contenders did their own canvass of the ballots for nearly eight hours last Saturday and came up with a variation on the outcome certified by the county Democratic executive committee after the first primary.

Interest in the case runs a close second to that in the various contests still before the voters in this Tuesday's run-off primary in which thousands of Mississippians will go to the polls to declare a nominee for governor, lieutenant governor and a host of county and beat-wide officers for the next four years.

L. M. Frierson, present Beat 2 supervisor who was two votes short of victory for a second term in the Aug. 6 balloting, told the Echo, "We'll get to it when we get to it," when questioned as to his plans after the lawyers' check. He said he had not yet reached a decision whether to contest the election in court or through the Democratic committee but expected to confer today or shortly with his attorney, Randall Jones of Pass Christian. Jones could not be reached for comment. Nor could Joel Blass of Wiggins, counsel for Dolph Kellar, apparent victor by two votes in the contest. Kellar said as far as he was concerned, he was the Democratic nominee.

Reports also circulated about possible litigation in the Beat 3 supervisor's race where P. S. Shaw, in the run-off against Charles Lovinghouse, the incumbent appears unhappy over choice of election managers. The Beat 2 controversy apparently hinges around the Aaron Academy precinct. Jones, Blass and the two candidates, with a host of spectators, began checking the precinct officials' tally and the ballots at 8:30 a. m. Saturday and continued on that particular instance until about 1:30 p. m.

The precinct tally showed 117 votes for Frierson and 145 for Kellar. The lawyers counted 117 for Frierson and 132 sure votes for Kellar with 19 ballots laid aside on various technicalities and nine ballots on which no votes were cast for supervisor. Of the 19 laid aside, Jones indicated he would give Kellar the benefit of 11, raising that total to 143, two short of what was counted the night of Aug. 6.

Confusion ensued however about the number of signatures on the voters' register, number of names marked as voting in the precinct poll box and the number of ballots. The precinct was due to get 300 ballots but the lawyers could account for only 299. Four absentee ballots were cast, two by servicemen and two for transportation workers. In some cases they were shown on the register and poll books and in other cases they were not. The managers sent back on envelopes showing 39 unused ballots and the count showed 260.

The register contained 261 names and the ballot number 232. (Cont. on Page 8-A.)

ATTORNEYS CHECK BALLOTS - Joe Blass, standing, and Randall Jones, seated left, attorneys for the two candidates for supervisor in Beat 2, review ballots from Aug. 6 primary at Courthouse Saturday. At right is Dolph Kellar, declared Democratic nominee by two votes; in foreground, incumbent L. M. Frierson who sought recount, and at left, Mrs. Frierson.

Hancock General upped in Hill-Burton priority

Tell nominees for ASC vote on committee

Nominees for the Agricultural Stabilization and Conservation Community Committees, who will be elected by mail ballot Friday, Aug. 23, through Sept. 6, have been announced by Tommy R. Shaw, chairman of the Hancock County ASC Committee.

Ballots will be tabulated publicly by the present county committee at 9:30 a. m. Sept. 9, in the county office. To be chosen are three regular committee members and two alternates.

The chairman, vice chairman and regular member of each community committee will serve as delegates, alternate delegates and second alternates, respectively, to the convention at 10 a. m. Sept. 16, at the Hancock ASCS office, when the county committee will be chosen.

Nominees by community are: (Cont. on Page 4-A.)

Arrest 2 in diamond ring cases

Two New Orleans youths, for whom extradition proceedings have been pending since last November, were arrested last Thursday night and charged with theft of diamond rings and cash from two homes in Waveland.

Arrested by Waveland Marshal Fred Bourgeois and Deputy Norvin Penrose were Lionel Gertner and Walter Massulla, Gertner, who had been paroled in the vicinity of Arlington and Terrace, was picked up first by the sheriff's office they learned Massulla also was wanted here and on the way to get him got a call about four diamond rings valued at \$4,200 plus \$58 in cash being missing from the Joseph LaNasa residence off Beach Blvd.

According to Deputy Sheriff Gerald V. Price, Jr., when the officers arrived at the car they found \$8 in cash on the front seat and one ring on the floor, later locating a box with the other three rings under the parked car of Cornelius Herlihy at Bourgeois and Coleman Avenue.

After questioning the following day, young Gertner led Sheriff Price to a place in Clearmont Harbor where a ring belonging to A. J. Lotz of Waveland Beach had been buried beside a pine tree. The pair (Cont. on Page 4-A.)

SETTING ORIENTED - Buford Yerger, second from right, HHFA special assistant for MTO, was one of Hancock County to get geographically oriented while explaining his idea of the new job to county and municipal leaders Tuesday. Others are, from left, Warren Carver, president, Hancock County Chamber of Commerce, McClellan Ratchford, HHFA regional administrator, Atlanta, Yerger and H. U. Jones, community relations chief, MTO.

To ease impact

Housing man joins MTO

Speedier handling of requests for federal assistance for public housing and community planning is implied in the assignment to Buford Yerger to the new position of special assistant for Mississippi Test Operations to the regional administrator, Housing and Home Finance Agency.

The new HHFA office was opened at meetings of public officials in Bay St. Louis and Wiggins Tuesday by McClellan Ratchford, regional administrator of HHFA in Atlanta.

Ratchford told the county and municipal officials at the conference here that through Yerger the five federal programs ad-

Drawbridge job awarded over Pearl

A \$1,299,000 contract for construction of a "drawbridge" at Mississippi Test Operations has been awarded to the Warrior Constructors, Inc., Houston, Texas.

The double-leaf bascule bridge will span the main canal connecting the East Pearl River to the main canal within the test center.

Army Engineers awarded the contract for the test site construction. Work is expected to begin in September and scheduled to be completed by the end of December of 1964.

The bridge, which will cross the canal just east of the lock to be constructed in the southwest corner of the area, will carry three lanes of vehicular traffic and provide access from the test site's south entrance. It will be about 200 feet long and will have a 110-foot horizontal clearance.

Each of the two structural steel trusses will be about 57 feet high at the ends. The concrete piers will be about 64 feet by 66 feet and will contain machinery for raising and lowering the leaves.

Warrior Constructors was the low bidder of the 12 firms seeking the job.

The Texas firm recently received a \$3,480,001 contract for building a large laboratory and testing building at the test center.

LOGTOWN METHODIST CHURCH

Last homecoming at Logtown church

Logtown Methodist Church, which will close its doors in the next few months as NASA's Mississippi Test Operations takes over, will stage its final homecoming this Sunday.

Rev. J. D. Slay, superintendent of the Meridian district of the Mississippi conference and pastor of Logtown in 1934-35, will deliver the sermon at the 10:30 a. m. service after which a basket lunch will be served in the Logtown School gymnasium.

Former pastors, members and their families are being asked to join in the homecoming. According to study of the church's history made by Henry Odo, indications are that the Logtown congregation dates back nearly 90 years. There is no record in the files of the conference's historical committee of a church at Logtown before 1880, but indications are that about 1875, Henry Weston, prominent planter and merchant of Logtown, realized the need for (Cont. on Page 4-A.)

Sure sign of fall

Hawks open grid preps

Hancock North Central's 1963 gridiron legends put on their pants for the first time Thursday and began prepping for the upcoming season only two weeks away. Twenty boys greeted head coach Ezell Lee, starting his second year in that position. Workouts will continue daily throughout this month.

At H.C., where basketball fever runs hot and heavy, football has had to take a back seat. Only last year were the Hawks able to break into the win column after three futile seasons. With eight lettermen back, the north county school is hoping for their best season yet though basketball once again has apparently taken its toll on prospects, several returning players electing not to play this fall.

"We've only had about 15 boys out in past seasons," Coach Lee (Cont. on Page 4-A.)

CALLING ROCK GRIDDERS

St. Stanislaus pre-season football practice begins next week, boys scheduled to report to head coach Billy Murphy Wednesday, Aug. 28. First game of the season will be Sept. 21 against Hahnville, La. at Rockchaw Stadium.

WAITIN' FOR THE DOCTOR - Head Bay High football coach Lance Lumpkin, left, waits with several young members of his team for medical examinations required before the start of pre-season training. The Tigers began prepping Thursday for the coming season, slated to start Sept. 6 when Bay High Stadium is dedicated. Siddle is first foe.

HOW'S IT READY? - Barry Kneeland, senior and returning letterman on Bay High's defending Gulf Coast Conference champion football squad is examined by nurse Mazie North at McFarland Clinic prior to the start of pre-season practice last week. Leroy Lane waits his turn in background.

Lipton team chosen

Bay sailors cop round robin series

Bay-Waveland Yacht Club 458 over the past two weekends
outscored Pass Christian 480 to win the annual round-robin

sailing event between the two clubs. The six local expert skippers had taken a slim advantage during the first half of the round-robin at Bay-Waveland, then maintained the lead at the Pass Saturday and Sunday. Sidney Schmidt of Pass Christian was the leading individual skipper with 105 1/2 and 91 points, respectively. Schmidt, ironically, did not win any of the 12 races but scored well in each. Chuck Breath was the top point-getter for Bay-Waveland with 99 1/4. The BWYC Lipton Cup team, determined by the round-robin eliminations, is composed of Breath, Harry Chapman, Bill Reeves and Don Chamberlain. Bill Watson and Walter Chamberlain are the alternates. Ellis, Schmidt, Phyllis Gessert and Margaret Ellis make up the Pass team. They will compete in the Q-M Yachting Association Lap-

ton Cup Labor Day weekend at New Orleans.

Harry Chapman won three races to top all sailors in that department. Bill Reeves and Bill Watts each won a pair for Bay-Waveland and Chuck Breath posted one victory. Sidney Ellis won twice, and Margaret Ellis and Allen Walker one each for Pass Christian.

Trophies were presented following Sunday's final races to the winning team and top skipper as well as to individual race victors. Ideal weather conditions prevailed both weekends.

Final standings were: Sidney Ellis 105 1/2, Snuffy Schmidt 91, Chuck Breath 88 1/4, Harry Chapman 82 3/4, Bill Reeves 82 1/2, Don Chamberlain 80, Bill Watson 79 1/2, Phyllis Gessert 73, Margaret Ellis 71 1/4, Walter Chamberlain 67, Allen Walker 61 1/4 and Nip Lang 46.

A Vote For SYLVAN J. LADNER, JR. IS A VOTE FOR GOOD GOVERNMENT

As we enter the final week of the second primary I would like to take this opportunity to thank each and everyone for the hard work that they have performed in my behalf for my election to the office of Sheriff and Tax Collector. I also want to thank everyone for the kindness you have shown me when I came to your home asking for your vote and support.

The fact that I received such a tremendous lead of over 450 votes more than my nearest opponent in a race with eight other candidates is indeed heartwarming and deeply appreciated.

The office of Sheriff and Tax Collector is the highest executive office in the county and carries with it a large measure of responsibility for the welfare and safety of the citizens of the County. Any man aspiring for this high office must recognize the importance of these responsibilities and be prepared to discharge them in accordance with the law.

I think I am the most qualified and experienced man in the race. I have served seven years as Commissioner and Tax Collector of the City of Bay St. Louis and four years as Sheriff and Tax Collector. I gave you the best service that I could, and I believe this experience and training places me in a position to serve you again in a more efficient and courteous manner.

The next four years will be four of the most important years for the people of Hancock County. It is reported in Sunday's newspaper that the Federal Government will spend more than \$100,000,000 at its Mississippi Test Facility in Hancock County. This will be the scene of a great amount of activity within the next four years. This rapid growth of our county will bring with it many problems to the Sheriff and Tax Collector Department. I have the experience to handle these problems as they arise. In the process of having this growth we welcome the large number of desirable new citizens coming to our County from all parts of our country. Not welcome to these smaller but organized criminal elements.

When I entered the race for Sheriff and Tax Collector in 1955, I pledged to the people that speed traps would not operate on our highways, and that racket and other games would not operate in Hancock County. If you will check my record you will see that I kept my pledges and they did not operate when I served, and they will not operate if I am elected as your Sheriff and Tax Collector again. I will not allow my deputies to prey on the traveling public and give cause to the various travel agencies to give our county a bad name because of speed traps.

Remember the vote you cast on August 27th, is for four years. Stop and Think, but do not throw your vote away on inexperience and one who is not qualified to serve you.

I believe the voters should weigh carefully the qualifications of the candidates offering for this office. Judge him by present and past performances in his occupation. If you do not do this now it will be too late to consider after the votes have been counted. It will be four long years before you have another election and can make a change.

I sincerely ask that you consider my qualifications and my experience between now and the August 27th Second Primary. Only with the vote and support of the majority of our citizens will I have the opportunity once again to serve you. A vote for Sylvan J. Ladner, Jr., will be a vote for an experienced man to serve as your next Sheriff and Tax Collector.

MISSISSIPPI
POWER COMPANY

WE NEED THE COLEMAN BROTHERS LIKE WE NEED THE KENNEDYS

Mississippians are suffering enough under the heels of the Kennedy brothers. For the four years of the Coleman administration (1956-60) Hancock County suffered under the Coleman brothers - Gov. J. P., and brother Boyce (an auto salesman of Pascagoula, Mississippi).

Although W. E. "Buck" Jacobs was District 8 Supervisor (Coast Area) of the State Highway Patrol, Boyce Coleman, brother of Gov. Coleman, was "unofficially" in control and command.

For four years this command set up "speed traps" on U. S. Highway 90, even within the City limits of Bay St. Louis, and arrested mere tourists in one day then now are arrested in a month's time.

WARRANT OF ARREST INSTEAD OF GREETINGS

During the Bay St. Louis Centennial Celebration in 1957 when we spent time, money, effort and advertising to invite people here, the Patrol was busy giving them a warrant of arrest as a greeting. Time after time the City officials, County officials, and civic organizations held meetings to discuss the situation, and appealed to the Governor's office, but to no avail.

"OFFICIAL" WRECKER AND REPAIR SERVICE

It will also be remembered that "it just so happened" that a majority of the cars involved in accidents on U. S. Highway 90 in Hancock County were channelled through an elected official of Beat 1, Hancock County, who was not even in the auto repair business, and the cars were hauled to, and repaired in Picayune, Mississippi. (This official is also now campaigning for Coleman).

If you think this may not happen again should J. P. be elected, remember Brother Boyce is attempting to organize Hancock County for J. P., his picture doing so was on the front page of the Sea Coast Echo, dated July 18, 1963.

It hasn't been easy for the Highway Patrol to build back respect lost by it during the J. P. Coleman rule. Neither can we ever recover the economic loss to the City and County, and may never recover from the bad publicity.

Yes, it's bad enough that Mississippi has to tolerate two brothers, Bobby and John. We need the Coleman brothers again like we need the Kennedys!

Three bets

At Tuesday's meeting of local and HHFA officials in connection with the creation by HHFA of the post of special assistant for MTO to the HHFA administrator one interesting sidelight developed. Both Mayor John A. Scaffide and T. Marx Huff, Senator John Stennis' Mississippi assistant, tried to learn the status of Bay St. Louis' application for federal assistance under the Accelerated Works Program for improving its water system from McClellan Ratchford, HHFA regional administrator from Atlanta, and got nowhere apparently through no fault of Ratchford.

The administrator explained that his office processed these applications and determined whether the project was eligible for federal assistance but that "Washington" made the determination of what eligible project would receive financial assistance and how much. He further said he did not even know the criteria used by "Washington" in making its determination (he didn't hazard a guess, however).

Quite aside from any question of where the Bay's application stands we do know that several nearby Louisiana projects have received federal financial grants and that no announcement of such for nearby Mississippi communities has been announced. We do know that our representative, Hon. William M. Colmer, wrote that Hancock General Hospital's application under the same program was in Washington but unlikely to get favorable consideration since no projects of this nature have been approved for Mississippi.

From what we do know we'll be willing to make three bets:

That criteria used by "Washington" in determining what project gets favorable consideration includes one or more discriminations based on race, creed or color.

That officials so "discriminating" violate the law.

That these officials will not even be reprimanded because the Kennedys favor this criminality.

Word of caution

One thing every election should teach us, but somehow we forget in between times, is that rumors, non-germane arguments, misleading statements and worse multiply so much as final election time nears. This election is no different and for the moment seems worse than last time, though we expect it's about the same.

These last minute underhand tactics are usually employed in the open only by supporters of various candidates and sometimes without the knowledge of the candidate on whose behalf they are used. In any event the voter has several clues to follow in determining whether any weight should be given the purported arguments for or against any candidate.

Is it a claim or statement that could just as easily be made earlier? If so but is just now being done to influence you, there's probably something fishy.

And always question statements that are based on a false or doubtful fact, the "when did you stop beating your wife" type.

The non-germane type—those that really have nothing to do with the question—are sometimes hard to spot and sometimes there could be a whining-ding argument over what is germane. But watch out for them anyhow.

Fly speck complaints, that is, strictly minor ones comparable to fly specks, usually indicate the one complained of is pretty good since his opponents can't find anything big to fuss about.

Good voting, come Tuesday.

Housing man...

(Cont. from Page 1)
lined to the HHFA administered programs of Public Housing Administration, Community Facilities Administration and Urban Renewal Administration. These provide planning and financial assistance to counties, municipalities and similar political subdivisions.

Ratchford said one of the purposes in providing federal assistance for housing in the area was to make available to people moving here permanently because of MTO and to a lesser extent Michoud suitable housing in a choice of communities. On the other hand he cautioned against overbuilding, saying nothing could be worse and pointing out that while MTO is called "permanent" there is "no real assurance of this."

Several times the federal official urged joint county-municipal action of a planning nature. The Supervising Engineers R. G. Hubbard of Bay St. Louis and H. G. Doss of Ocean Springs, Ala., were mentioned in such a connection. He added that when the county decision was given he would be glad to help in the planning process.

Arrest two...

(Cont. from Page 1)
told authorities they had used the \$800 stolen from that home to buy the automobile they had been driving.

Gertner and Macaulay along with two others had been arrested in New Orleans last Nov. 7 as suspects in several local burglaries including theft of a coin collection valued at \$2,000 from Mrs. Bea Smith of South Beach.

Deputy Price said the two that at present their main worry was unsupervised trailer courts.

At this point Yarger interrupted to say, "you have reason to be worried", and Ratchford commented that trailer courts and "what, for lack of a better word, I call honky-tonks, will be your biggest problems."

Present for the two hour meeting besides Ratchford, Yarger, Hubbard and Doss were Mayors John A. Scaffide, Bay St. Louis, and Garfield Ladner, Waveland; Warren Carver, president, Hancock County Chamber of Commerce; Roger Williams, Ratchford's special assistant for public affairs; E. U. Jones, MTO community relations chief and T. Marx Huff, Mississippi assistant to Senator John Stennis.

Fenton man is killed in Michoud fall

James R. Ogleby of Fenton was killed in a 35-foot fall at the Michoud plant in New Orleans Monday. He had been reconstructing metal frames for a monorail electric hoist at a 40-foot height and was climbing down when he fell, investigation showed.

The 28-year-old victim was employed by the Boeing subcontractor, welding and manufacturing company. He and his wife, the former Beulah Hardy originally of Hancock county, had moved to Fenton only a few months earlier from the North. This is the first fatality at Michoud involving a county resident.

The body was sent to Hotchkiss for burial.

Charles Moore

Charles E. Moore, 85-year-old retired steamboat captain for Federal Barge Line, died Monday night in Hancock General Hospital. He was a member of First Baptist Church and of the Invaluable Friends No. 404, Algiers Lodge, Algiers, La.

Services were yesterday from Reimann's Pechey-Whitfield Funeral Home with interment in Garden of Memories Cemetery in New Orleans. Rev. Emory Green, pastor of First Baptist Church, conducted the service.

Surviving are two daughters, Mrs. Laverne Pehlman, Bay St. Louis and Mrs. Clayton Bankston, Metairie, La.; and two sisters, Mrs. R. G. Wall, Little Rock, Ark., and Mrs. S. A. Nelson, New Orleans, La.

Mrs. Emma Cuevas

Services were yesterday with interment in Standard at Sand Hill Cemetery for Mrs. Emma Cuevas, 76, who died Monday in a Gulfport hospital where she had been a patient for eight weeks. She was born in Hancock County in 1887 and was a member of St. John's Catholic Church.

LAUREN IS POPPY GIRL

Lauren Turcotte was chosen to reign as Little Miss Poppy as a special meeting of the American Legion Junior auxiliary last week. She will crown Poppy Queen Mildred Baum at the Poppy Coronation Ball at the Legion home at 8 p.m. today.

KILN DANCE SET

A benefit dance at Kiln Youth Center from 8 p.m. to 12 Friday is scheduled with proceeds going to Amunition Catholic School at Kiln. The school will open around the middle of September if everything proceeds as scheduled. A band from Gulfport will play for the dance.

organized it.

Except for Rev. Cooper, there is no record of the names of the pastors of the church prior to 1880, but since that time there have been 42 pastors serving it.

For many years the church and its organizations were quite active and this can be directly credited for the almost complete absence of crime in the community, even during the years when the mills were in full production and Logtown had a population of nearly 2,000. The young people of the community in bygone days were active in the Boyworn League for many years, and the Women's Service of Christian Service is still with regular meetings and a good record.

The Sunday School was well attended until just a few years ago, when it was discontinued due to the limited membership. J. S. Ode was superintendent of the Sunday School for 43 years, after which D. R. Weston assumed that office for 20 years.

Albert F. Backer

Albert F. Backer, 74, New Orleans businessman, and summer resident of 261 Beach Blvd. Waveland, died in Hancock General Hospital August 16. He was owner of Backer and Green, manufacturers representatives. His long business career was devoted to the food brokerage business.

He was a native of New Orleans and attended local public schools, Spencer Business College and Tulane University.

The funeral was in New Orleans Monday afternoon.

Survivors include a sister, Mrs. Adam Bentel; a brother, Ralph Backer; two daughters, Mrs. Chester Hall, Santa Ana, Calif.; and Mrs. Alton B. Bayard; two sons, Albert F. Backer, Jr., and Warren H. A. Backer, and nine grandchildren.

Mrs. John Hume

Mrs. Pearl Buhler Hume, 79, Algiers, La., who had a summer home at 979 Dunbar Ave., died in Algiers Monday. She was the widow of John Hume and daughter of the late Martha Chestnut and Charles Buhler.

She is survived by five children, Lillian P. John, Irving, Wilfred and Harold Hume, seven grandchildren and 11 great grandchildren.

commented, "so we feel pretty good there. We were looking forward to a good season but some of our players aren't showing up. Our backs are in fair condition but the line needs work."

The school has moved ahead during the past two years in football, however. In '62, Lee's debut as coach, lights were installed on the Hawks' home field and for the first time all games weren't played on the road. Work started this week on installation of bleachers expected to be at least ready for partial use by the home opener early in September.

Currently taking part in practice sessions are Wendell Ladner, Gene Necaise, James Jordan, Clarence Necaise, Wayne Cuevas, Kenny Randall, Charles Wood, Adron Pouncey, Earl Ladner, Paul Cuevas, Clark Smith, Eddie Peterson, Werlin Ladner, Jr., Charles Necaise, Donnie Necaise, Horace Ladner, Joel Whitefield, Ernest Fairley, C. J. Hoda and Dale Whitfield.

Coach Lee listed a ten-game schedule for the coming campaign, all of which are Gulf Coast Conference games except for those against East Central of Wade and Stonyville of Hattiesburg. The schedule is: Sept. 6, East Central away; Sept. 13, Ocean Springs, home; Sept. 20, Stone, Perkinson Junior College; Sept. 27, Bay High, home; Oct. 4, Long Beach away; Oct. 11, Harrison Central home; Oct. 18, Pass Christian home; Oct. 25, Stonyville away; Nov. 1, Open; Nov. 8, St. Martin home; Nov. 15, Pearl River Central (site pending).

SJA gets ready for fall session

The home economics department and the library at St. Joseph Academy are under going drastic renovations in preparation for opening of the 1963-64 session. Most thorough job is in the home ec house where new installations include two new stoves, a refrigerator, three new sewing machines, a full-length mirror and kitchen cabinet. Appropriate drapes will be added later.

Besides the addition of some 100 new volumes in the library, that plant is being refurbished to provide a more inviting atmosphere for study. New red bookends and card dividers have been put in place and four more fluorescent lamps added.

In the gymnasium where the parent club recently installed new bleachers and other items, a masonry finish is being added to the bleachers and in front of that area with similar tile surrounding the seats.

A business administration teacher is being sought for the faculty while the Sisters of St. Joseph continue to pursue additional studies for training in their fields.

Sister Fidelis, seventh and eighth grade teacher, has been at a session on modern mathematics training at Dominican.

LEARNING YOUNG -

Little Hamilton Osenard, IV, has at last found a shining partner his own size as one-year-old Rhonda Lynn Godwin, daughter of Mr. and Mrs. D. L. Godwin of Waveland, joins him for a turn about the floor at Waveland Roller Rink. Hamilton started skating just about the time he started walking as his father and grandfather own the rink.

Baptists fete college group this Sunday

Sunday at First Baptist Church has been designated as On To College Day in honor of the 11 young people of the church who will be leaving during the next few weeks for various colleges. Evening services will be geared to the college students and much of the program will be handled by the students.

Young people from the church leaving for school soon include Larry Breland, Paula Crider, Rita Kay Erwin, Dorothy Hand, Bill Jennings, Wayne Lodner, Greg Neelise, Mary Ann Pahlman, Billy Pahlman, Mildred Parker, Ronnie Russell, James Walters, Penny Sue Webb and Karen Williams.

Fellowship will follow the worship service in the fellowship hall.

Girl Scouts return from capital trip

Girl Scout Troop 120 arrived home late Friday after a five-day educational trip to Washington D. C. via Southern Railway. The group toured Federal buildings as well as other famous sightseeing institutions in Washington, and traveled by bus through Mt. Vernon, Arlington, and Alexandria, Va.

Girl scouts making the trip were Barbara Burch, Sue Calhoun, Kathy Miller, Della Shiyon, Jean Rubertford, Susie Paul, Pili White, Ellen Western, Ellen McDonald, Becky Adams, Linda Goodwin, Debbie Weeks, Susan Clark and Valda Pittman.

Accompanying the troop as chaperones were their leaders Mrs. W. R. Pittman, Jr., and Mrs. J. W. Clark. Others in the party were Sue Osbourne, Kappy Clark, Bezy Carol Hill, Bill Pittman, Bob Whitfield, Marshall Wilcox and Harry Sarnack.

Fassnacht, Adams win sail prizes

Lon Adams was honored with the Coast-of-the-Walk Trophy, emblematic of outstanding achievement, Saturday night during the annual sailing regatta banquet at Bay-Waveland Yacht Club. Junior regatta winners along with others meriting achievement in sailing lessons concluded recently were also recognized.

Adams was named top junior sailor for the summer months while Mrs. Paul Fassnacht was selected most improved. Seven winners in various divisions were presented individual trophies.

Those winning their "regatta", sailed all during the past week, were Charles Gilbreath, Tommy Stakman, Steve Pendergast, Holly Hayden, Alice Ramoth, Patsy Hayden and Mrs. Arthur Coory. Runners-up were Boyd Miller, Aaron Koch, Jim Miller, Harriet Helen Johnson, Linda Koch, Nancy Egan, and Mrs. Fassnacht.

Sailing instructors during the '66 summer were Alfred Watts, Chuck Smith, and Walter Chas. Smith.

LEARN 5 LANGUAGES

THROUGH A NEW RECORD TEACHING TECHNIQUE!!

NOW! YOU CAN LEARN

Spanish • French • German • Italian • Russian

And Spanish-speaking people: You can improve your English!

If you have ever wanted to learn a foreign language quickly and fluently, here is your chance. You can learn a foreign language in the way we have all learned to speak — by listening to words and phrases, with the added advantage of being able to see and hear the words and phrases simultaneously.

Each language record consists of a long-playing 10-inch Hi Fi disc (33 1/3 RPM). You receive a handy conversational manual with each record. Through this modern record-teaching technique you can quickly become adept at Spanish, French, German, Italian, Russian or English. You may even want complete sets of several languages while these are available at the extraordinarily low price of \$1.00 per record.

Here is how!

You will be able to order as many records as you wish. Order blanks will be printed exclusively in The Sea Coast Echo.

A coupon is printed on page 4, section A of this week's Sea Coast Echo. To order record, simply send in coupon with \$1.00 in cash, check or money order. To order more than one record at a time, send separate order blank and \$1.00 for each record.

Each order must be accompanied by the properly filled out order blank.

**ONLY
\$1.00
PER
RECORD**

The Sea Coast Echo is pleased to offer every reader the opportunity to learn a foreign language. Students, travelers, businessmen and those just interested in mastering a new language will welcome this good news.

The speed-learning techniques incorporated in these language courses were pioneered and developed by instructors and educators to teach languages quickly to the armed forces during World War II. The recordings are made by educated natives of the countries whose languages you wish to learn. The conversation manuals have been approved by outstanding educators.

Four records for each language course are offered, except Russian which has two records. At the low price of \$1.00 per record, you may wish to get sets in more than one language.

Records Mailed to You!

All records will be MAILED DIRECTLY TO YOU. This service, postage and tax are included in the low price of \$1.00 per record. The discs will be mailed anywhere in the U.S.A.

You'll find learning a foreign language or improving your English this way to be fun. And fast. Your entire family can learn together. Plan now to take advantage of this special service of The Sea Coast Echo.

Methodist youth sub-district meets

Bay St. Louis Sub-District of the Methodist Youth Fellowship Beat 2...

(Cont. from Page 1.)

Jones held aside ten ballots which Mrs. I. M. Frierson felt had not been initiated by Gussie McQueen, election official responsible for so identifying valid ballots. A check, however, showed each candidate received five of the votes, so this line was not pursued.

There was apparently no question over the Flat Top box. Polling places will be open as usual from 7 a. m. to 6 p. m. Tuesday and indications are the turnout will run somewhat below that of the first primary since the number of candidates has been thinned considerably. In Beat 1 there are no district-wide races for instance and at this time there is only one contest in Beat 2.

Populous Beat 5 has run-offs in all district races which should contribute to the usual heavy vote in the Bay-Waveland area and supervisors contests are expected to draw many voters in Beats 3 and 4 to the polls.

Circuit Clerk and Registrar Lamar Ode reported business picking up on transportation workers' absentee ballots with a good-sized number to be issued by the deadline Saturday. Servicemen get ballots for both first and second primaries on the first go-round.

Meanwhile, Leo W. Seal, Jr., secretary of the Democratic committee, said some last minute cancellations had come in from precinct officials and he expected replacements could be chosen Monday in case additional persons said they could not serve. Edwardsville and Central School, both in Beat 5, were among those with shortages at present.

Virtually every county-wide contest is hotly contested. For the 43rd Senatorial District shared with Pearl River County, two Hancock men are in the run-off: Mayor John Scafide of Bay St. Louis and James Rester of Leetown who ran strong in Pearl River County in the first primary. The state representative race is between the incumbent, Clarence Lader of Fenton, and Walter J. Phillips of Bay St. Louis who lost in the first primary between the two four years ago.

The sheriff's contest, of course, is claiming much interest. That run-off is between Sylvan J. Lader, Jr., who held the post from 1956 to 1960, and H. (Bully) Zengarlino, county machine operator who ran a strong third in the '59 primary. A. C. (Mitch) Mitchell, clerk of courts for 12 years until his defeat in the 1959 race, goes against Marie Quintini, a deputy under Mitchell and the present superintendent of education. For county superintendent of education it's the incumbent, K. G. McCarty vs. Robert F. Lader, former Gulfview principal who has been on the staff of the late Gov. Warren E. Hearnes.

Numerous beat races complete the various ballots. Joy-ces again will stage their Election Central project at the Jay-ces Hall and hope to bring in returns especially with mobile units operating throughout the county.

Realty, Enamel lead in play-offs

Southern Realty survived a shaky start and went on to post a 9-4 victory over Reink's Dirty Dobbers Monday night to go one-up in their best-two-out-of-three series for the Bay Softball League playoff championship. Originally scheduled as a best-of-five set, the series was shortened by league officials. Industrial Enameling surprised Trapani's Knock-Knock 9-4 in their first of a three game series for consolation honors.

Southern Realty, regular league kings, fell behind 3-0 in the first three innings but scored three in the fourth, fifth, and sixth frames to take the all-important advantage in the series with Reink. Claude Yarbrough's bloop double down the leftfield line for Southern scored two runs and tied the score in the fourth and the deciding markers crossed the plate in the fifth when Charley Tartavouille singled with a pair of men aboard and circled the bases on an error.

In a losing cause, Yarbrough was the winning pitcher and Billy Osbourne, first of two Dobber moundsmen, took the defeat. Charley Carter relieved in the fifth inning for Reink.

Industrial Enamel grabbed an 8-0 advantage over Trapani in Monday's first game and was never threatened. J. McCune was 3-3, Carlos Young 3-4, and Everett Necaise 2-3 for Industrial at the plate. Henry Monti, Jr., was 3-3, Billy Breland 2-3 and Bobby Boudin 2-3 for the Traps. Red Davis was the winning pitcher and Gene Rogers the loser.

The championship and consolation series continued last night and Southern Realty and Industrial victories would mean the end of play. Should either Reink or Trapani have come out on top last night, however, deciding games will be Friday starting at 8 p.m.

MORAN SOFTBALL SQUAD - Members of Moran's team, battling for first in the Women's Softball League, are, left to right, kneeling, Cheryl Moran, Annie Ruth Dahl, Diane Stoufflet, Dot Palomares, Reba Pearson; standing, Cleopatra Moran, Glenn Fayard, Bertie Faye Necaise, Diane Schaefer, Beverly Lopez.

Women's title at stake

Mollere takes lead play-off with Moran

Scoring two runs on four base hits in the ninth inning, Mollere Realty posted a 5-3 victory over Moran Sunday night and went one-up in their best-two-out-of-three series for the Women's Softball League playoff championship. Jerome's came from behind for a 8-7 triumph over the Lady of the Gulf in their first game for consolation honors.

Plays by Millie Usher and Gertrude Stelz were the big plays for Mollere Realty in their first extra inning against Moran after the latter had kept her team alive with run-scoring hits in the third and fifth innings. A single by Kathy Kuchler placed the other Mollere run in the second and good defensive play especially by first-baseman Millie Usher, staved off several Moran attempts.

Dana Schneider drove home the first Moran run in the opening inning with a single and Blackwell accounted for two in the third. The final OLG marker crossed in the fifth.

Maxine Swetman was 2-3 and Piji White 2-4 to spark Jerome at the plate. Melva Luke homered with two on in the first inning and had 2-3 for OLG. Margie Lenfant connected for the circuit in the second with one aboard and Freda Perniciaro was 3-3 also in a losing cause.

Jo Ann Colson was the winning pitcher and Margie Lenfant took the defeat.

Mollere and Moran reached the finals with two straight victories.

We're for NELIUS RHODES for J.P. Post 1 Because

He served as Justice of the Peace in Beat 5 in a fair mind to all and always ready to assist his fellowmen with their difficulties, regardless of the seriousness involved.

Has always been an independent candidate and a friend to all and not a professional politician. He has never made any false promises nor political debts or obligations. He has tried to fulfill the duties of this office conscientiously and ready to serve and help the people by being available 24 hours a day. He is vitally interested in good government.

He has always helped, when possible, his friends with many problems and has cleared misunderstandings, eliminating in many cases, the filing or crossing of charges.

He has always conducted himself in a gentlemanly manner throughout all campaigns

He pledges to be responsible for the duties of his office to you, the people of Beat 5.

He was appointed as Hancock County Youth Court Referee by the late Chancery Judge Dan M. Russell, Sr., and re-appointed to this high position by Chancery Judge Wm. G. Howes and has served in this capacity for nine years.

He has been steadfast and sincere in rendering his decisions in Youth Court hearings in our County. As a father and grandfather, he has always taken to heart the problems of our youth by first placing his own children in this situation and after deep consideration and thought, acted as he believed.

He has always been ready and willing to devote unlimited time to our youths as many of them, both boys and girls, have approached him and discussed the problems confronting them and trying to find solutions possible for their benefit.

TO THE VOTERS OF

PEARL RIVER AND HANCOCK COUNTIES

This is my final message to you before you cast your vote for
Senator in the second primary to be held this coming Tuesday,
August 27, 1963. I have made a very sincere and active campaign
based upon highest ideals and I now approach the second primary
with a clean conscience and a kind feeling for all of my opponents.
They, in turn, have conducted a worthy campaign and I hold each
of them in high regard.

I wish to further state that I have strictly campaigned for Senator
ONLY and have honestly and conscientiously refrained from parti-
cipating in any manner in any other campaign. I stand today as I
stood in the beginning on all issues that have been discussed. If
you honor me as your next Senator I pledge the same unwavering and
loyal service in the coming four years.

Gratefully,

Bea Georgi

THANKS and explains
her 383 votes

The 383 votes that were cast
for Bea Georgi in the J. P.
race on Aug. 6, 1963, were from
most honorable, courageous and
sincere people of Hancock Coun-
ty. They are the type of people
who could not be paid off, threat-
ened or told to vote for anyone
else.

Some candidates are backed
by the power behind the large
desks.

I am proud of these 383 voters
because they had the courage
to vote their own convictions
and not as they were told.

You voters wake up in the 2nd
primary and vote your own con-
victions.

Should the big phobos offer you
anything for your votes remember
they have all to gain because
they will have the power and con-
trol of you people for the next
4 years, so please take their
money, drinks, etc., and vote the
opposite way. You know better
than I do for 3-1/2 years you
are forgotten.

For six months out of every
4 years they pat you on the back,
buy you drinks, give you a few
dollars, pay your poll tax, tell
you how to vote, then they are
the boss and hold their power
over you for another 3-1/2 years.

LET'S ELECT

ROBERT FRANK LADNER

Superintendent of Education

HANCOCK COUNTY

BECAUSE HE IS:

Educated and qualified:

Graduated from Killeb High School, Pearl River Junior Col-
lege and earned all requirements for Master's Degree in
Education from University of Southern Mississippi.

Experienced:

Eight years as a coach and classroom teacher in Hancock
County and one year in Louisiana; 4 years administrative experience
Principal of Gulfview School; 2 1/2 years employed as Agri-
cultural Agent and Staff Manager with an insurance company
Boy Scout Master; Overseas Volunteer of World War II.

Dedicated to

dynamic leadership:

(1) Will co-operate harmoniously as a partner and
member of the school board to carry on a successful school program.
(2) Will conduct the duties as leader of the teaching staff
with fairness, integrity and statesmanship.
(3) Will work to improve the curriculum, quality of instruction,
accreditation and prestige of the county schools.

Because both my wife and I are teachers and we have two children who are students, the Ladner
family is vitally interested in education in this county. It is our belief that the children of the county
schools deserve an education, comparable to the best available, which will equip them to meet the chal-
lenges of the space age.

We can no longer afford to indulge in mediocre methods and be satisfied with anything less than the
best for our youth. The county schools will need a man with vision, courage, integrity and a sound
educational philosophy to lead them in the troubled days ahead.

It has been my policy throughout this campaign to honestly present the facts in a dignified manner,
and to earnestly solicit your vote and support based on my merits and qualifications. If elected, I shall
work diligently with you to move forward towards a better educational program.

Thank you for your assistance.

Sincerely,

Harry hears ... Getting close to the series

With six weeks remaining in the 1963 major league baseball season, the New York Yankees have all but clinched the American League spot in the World Series against Los Angeles, St. Louis, or San Francisco of the National League. The Bombers started the week 10 1/2 games ahead of the Chicago White Sox and Minnesota Twins and continued to gain ground even without Roger Maris and Mickey Mantle, their one-two star punch. L. A., led by a good margin over the Cards and Giants but are far from home free.

The White Sox were the only team with a chance against the Yankees, playing New York in weekend series last week in the Chicago and this week in New York. New York won three of four last week, however, and the Chisox joined the other nine A. L. teams sporting only a prayer.

New York has three pitchers with good shots at a 20-game season, led by lefty Whitey Ford, 17-6 starting the week. Right-handers Jim Bouton and Ralph Terry also are within easy distance of the feat, Terry for the second straight year though he has lost quite a few also in '63.

The National League's more interesting race could be turning into a carbon copy of last summer. The L. A. Dodgers have once again crept out in front and remained there for some time. San Francisco overtook the Bums on the last three days of the season last year, however, and are in position to do so again. Ahead of the Giants, though, are the St. Louis Cardinals, showing more spirit and starting to win the close games.

The Redbirds continue to lead all major league teams by a sizeable margin with the bat but are going to have to get better pitching. The Cards have some good young hurlers who've been hot-and-cold, namely right-handers Ernie Broglio and Bob Gibson, and if that pair and the other St. Louis starters do their job in September, the Dodgers better watch out. St. Louis has really felt the loss of Ray Washburn, ace of the staff the first month of the season who suffered an arm injury and is trying to work back into condition in minor league play.

San Francisco's wondrous Willie Mays has started to hit with his usual hot bat after slumping through the first half of the season below par. The Giants, likewise, have been playing better ball since for a weekend series in St. Louis where the Cards swept three straight. Power hitting Willie McCovey has slacked off, though, and Frisco pitching has not been of championship caliber lately.

The Dodgers are still the team to beat with Sandy Koufax, Don Drysdale, and Johnny Podres winning regularly on the mound. If the Bums play their usual "Bum" role in September, however, the Cards and Giants are waiting.

Hats off to Realty

Having been on vacation, we weren't able to offer congratulations to Southern Realty last week on its outstanding showing in the Mississippi slow-pitch state softball tournament. Realty finished second among 25 teams, losing twice to the eventual champions in the double-elimination affair and falling in the finals by only one run.

Southern Realty has really made 1963 a banner season in every respect. Southern tied for the Bay Softball League regular season championship, then won two games in one night for the title. They've been an almost weekly winner in tournaments along the coast, and going into play last night in Bay League playoffs needed only one victory over Reinkne's to claim the playoff crown. There's little else left to win.

Side Bars

We were sorry to learn of injuries suffered in the state softball tournament by Krankey infielder Mike Bonney. Bonney was hit hard at second base in the first game of the tourney while pivoting on a double play and sustained a broken leg. We understand he'll be hospitalized for about a month and will be forced to wear a cast about six months. It was certainly a bad piece of luck, especially for a college student.

Well, the local Pony League ended its season last week when, typical of the summer, only about five boys showed up to play. '63 was simply an off year for teen-age ballplayers - maybe next year the boys will show more interest and the loop will return to form. Here's hoping!

Coast women golfers plan organization

First steps toward formation of a Mississippi Coast Women's Golf Assn. were taken at a meeting attended by representatives of seven coast women's golf groups last Thursday at the home of Mrs. Powell Glass, Jr., on South Beach.

Mrs. Wallace Whitson of Gulf Hills was chosen temporary chairman and Mrs. Edward S. Perry of Bay St. Louis secretary.

Initial purpose of the group is to have the coast courses rated for women's handicapping.

Inter-city tournaments for the 1963-64 season also were scheduled with Gulf Hills women and Biloud women hosting the first event Sept. 30 at Gulf Hills.

Brookwater will be host Oct. 18; Pass Christian Isles Dec. 3; Pascagoula in January, Edgewater Gulf March 12; Sunlit April 22 and PCI again May 19.

Invitation to the meeting was extended from the PCI women and other representatives of the various groups attending included Mesdames J. V. Lawrence, Nick Maynor, Charles H. Royner, Lester Bridges, Carl Wright, Howard Blomberg, Joy Meyn, Dan Hersel, Carl Venderhaar, and W. T. Johnston. Luncheon guests were Mesdames Walter Russo and Ed Gamard.

Next MCWGA meeting will be Sept. 5 at Edgewater.

Knot rogatio 501
at Pass yacht club

Pass Christian Yacht Club will be the scene this weekend of the annual Knot Skipperette Regatta of the Gulf Yachting Assn. Races are on top Saturday and Sunday with each of the GYA clubs represented allowed one boat per race. All GYA clubs are invited.

Bay-Waveland's Knot team, based on points scored in local Bay Bourton eliminations earlier this month, is composed of Bay Chamberlain, Judy Reeves and Rosemary McFarland.

For COLDS take 666

Charles Sullivan, last week, told the people of Mississippi in a thirty minute television talk that he endorses and supports J. P. Coleman for Governor of Mississippi.

His decision that Governor Coleman's election would best serve the interests of the State, he said, was reached in solitude without pressure from anyone, and his determination to publicly endorse Mr. Coleman was finalized by Coleman's assurance to him that if elected Governor, he Coleman, would not in any way assist or support Kennedy for president in 1964, but on the contrary he would vigorously oppose the Kennedys.

Mr. Sullivan's stand demonstrated a courage possessed only by statesmen who place the interest of their state above their personal interests. His sincerity of purpose was clear and unmistakable. The effect of his public endorsement of J. P. Coleman for Governor will be reflected in the returns of the ballots cast on August 27th.

We invite the 1,725 Sullivan supporters in Hancock County to join with the Coleman forces in the second primary.

With your active support and help Coleman will lead the ticket in Hancock.

ELECT A MAN QUALIFIED BY EDUCATION AND EXPERIENCE AND PROVEN IN PUBLIC OFFICE AS YOUR SENATOR FOR THE 43rd SENATORIAL DISTRICT.

TO THE VOTERS OF HANCOCK AND PEARL RIVER COUNTIES

In asking for your support and vote, I humbly but confidently submit for your careful consideration the following qualifications:

I am a native and life long resident of Hancock County and have throughout my adult life attempted to direct my efforts in every way possible to the betterment and progress of my community. I am a graduate of Tulane University and it is my happy privilege to have taught and coached in the public schools of Hancock County, and at Pearl River Junior College. I have served on the Board of Trustees of the Bay St. Louis Separate School District, and was the first Youth Court Referee appointed in Hancock County. I am a past president of the Mississippi Planning Conference and the Coast Municipal Officials Association and was recently elected president of the Mississippi Municipal Association. I am a member of the Advisory committee of the National Rivers and Harbors Congress and at the present time in my tenth year as Mayor of the City of Bay St. Louis.

The knowledge and know-how born of experience gained during some twenty-five years of dedicated service to my community and my State, as a private citizen and as a public official, clearly indicates beyond any doubt that I am well qualified and prepared to effectively and successfully carry out the duties and responsibilities of this important office. ELECT A MAN WHO IS QUALIFIED BY EDUCATION AND EXPERIENCE AND WHO HAS PROVEN HIS ADMINISTRATIVE AND LEADERSHIP ABILITY IN PUBLIC OFFICE.

Elect

JOHN A. SCAFIDE
as your next Senator

tries over Jerome and OLG, respectively. Extra base hits by Georgene Stolz and Edith Davis paved the way for a 4-2 Mollere win over Jerome Thursday to complete their sweep. Mollere led all the way, scoring two runs in the first and one in the second. Dale Seiler was the winning pitcher.

Run-run rallies in the second and fifth innings helped Mollere bury OLG 15-8 for their second win in that series. Diana Stutz-Bat rapped three hits in four bats for Mollere and Margie Leander was the OLG sportsping with 3-3 including a long home run.

The play-off finals continued tonight as OLG and Jerome play for third place at 8 p. m. and Mollere Realty and Mollere Colide immediately afterward. Jerome and Mollere victories could wrap up play and trophy presentations will follow. If other games are needed they will be completed at 8 p. m. Sunday.

Realty, Reinike gain slots

Coming off the floor after a game upset, Southern slugged for two one-sided wins over Industrial Enameling Wednesday and Friday and won the championship Bay League playoffs against the Dixie Duffers, winter league's Knock-Knock in straight semifinal contests. Realty pounded out a victory over Industrial in their deciding game.

Realty's 16-4 triumph over Industrial Wednesday. J. Cameron and pitcher Yarbrough led Realty at 6:30 p.m. Sunday at the regular MYF program in the Fellowship Hall. Purpose is to emphasize that Jesus' life should be celebrated year-round and not only in December. Young people of all denominations are invited.

Young each went 2-3 for the losers. Don Caldwell spaced 11 hits for the hurting victory with Everett Necaise absorbing the defeat. Billy McDonald's strong mound work led Realty past Trappan for their second win in as many tries and a spot in the finals. McDonald outdueled Trappan's Gene Rogers who also hurled good ball. Bob Bishop and Jake Morreale were 2-3 for the winners and Steacy Strong and Rogers had a like number of hits for Trappan.

CHRISTMAS IS TOPIC

Many Street Methodist Church Youth Fellowship will put on a special Christmas program at 6:30 p.m. Sunday at the regular MYF program in the Fellowship Hall. Purpose is to emphasize that Jesus' life should be celebrated year-round and not only in December. Young people of all denominations are invited.

"Judge a man by his past", says J. P. Coleman. Civic organizations and local officials called on Ex. -Gov. J. P. Coleman for four years to send us a representative of A. & I. Board to discuss an industry for Hancock County, but he utterly ignored us. Under the Barnett-Johnson administration, the local Industrial Enameling Plant became a reality in record time.

Supervisor - Beat 5

With the impact of NASA, Hancock County must have its own **PLANS FOR PROGRESS.**

The following objectives must be realized by the responsible officials in order to effect maximum gains for the citizens. As Supervisor of Beat 5, I pledge full cooperation wherever necessary to help our growth.

PLANNING FOR EXPANSION

In view of the certain growth of our area, Supervisor Dean and I (Beat 1 and 5) have agreed to engage a firm of planning engineers to guide us in the expansion of county facilities and services such as drainage, sewerage, transportation network, etc.

PORT AND HARBOR COMMISSION

The Port and Harbor Commission, which the Board of Supervisors created recently, has engaged the engineering firm of Michael Baker & Associates to implement, by the first of the year, an industrial survey to probe the potential of Hancock County. With the development recommended by the engineers, we are expecting big things. This survey will be financed by the Board of Supervisors.

HOSPITAL ADDITION

A source of pride in our county is our new hospital, which has been in operation for three years. For the better part of a year it has been filled to capacity (and beyond). Recognizing the need for larger hospital facilities, several months ago the Board of Supervisors engaged engineers and the plans are ready, waiting for final approval of funds from the Mississippi Hospital Commission for an additional of 26 beds.

HELIPORT AND IMPROVED AIRPORT

Steps toward creation of a new Hancock County heliport on the grounds of Hancock General Hospital were initiated a few weeks ago to cooperate with NASA. This facility would serve to bring workers into Bay St. Louis from the Mississippi Test Operations for hospital treatment, or for business.

Although our air strip is very much in use by residents, visitors and aviation enthusiasts, plans **MUST** be made for enlargement and improvement in order to meet the growing need.

As boom times come upon us, it is essential that the next four years be years of **EXPERIENCED, PRUDENT** management conducted with foresight.

With these principles in mind, I have worked closely with the NASA officials to prepare Hancock County's place in the Space Age.

Because of the opportunity for expansion and growth such as we anticipate in the immediate future, and your knowledge of my policies and experience in public office, I solicit your vote of confidence in my ability to manage your county affairs, and pledge **CONTINUED PROGRESS.**

A company is known by the men it keeps...

(Above) C. M. Finley is one of more than 3,000 United Gas employees with 25 or more years of service with the company. He is a field production foreman in the Bethany Northeast field.

United Gas is proud that its nearly 6,000 employees represent the company's most valuable asset. These men and women of United Gas have a combined 84,000 years of knowledge and experience in the complexities of producing, transporting and distributing natural gas. Our employees are proud of their company, too, for in a very real sense they are the company. It is a company known by the men it keeps, then so are the men known by the company they serve. This mutual pride—plus years of "know how"—does much to assure a future of dependable natural gas service to our customers throughout the Gulf South.

Voters of Hancock County

TO THE PEOPLE OF
HANCOCK COUNTY:

In the closing days of this campaign I would like to take this means to express my thanks to you for the wonderful reception you have extended me during these past several weeks.

Though time does not permit me to see each of you, please accept this as my personal appeal for your vote and support in the second primary on August 27th.

My platform has been brief and again I would like to bring before you the things in which I believe.

I promise, as your sheriff and tax collector, to serve you honestly, fairly and impartially.

I will not permit any organized gambling within our county, and, most assuredly will not allow any rackets of any type to operate.

I have consistently pledged myself to clean government and I again renew this pledge.

I am deeply concerned for the youth of our county, our future citizens.

I will work and offer my services to all organizations to help our children.

Your vote and support is earnestly solicited.

A vote for Zengarling will be a vote for good government.

Respectfully,

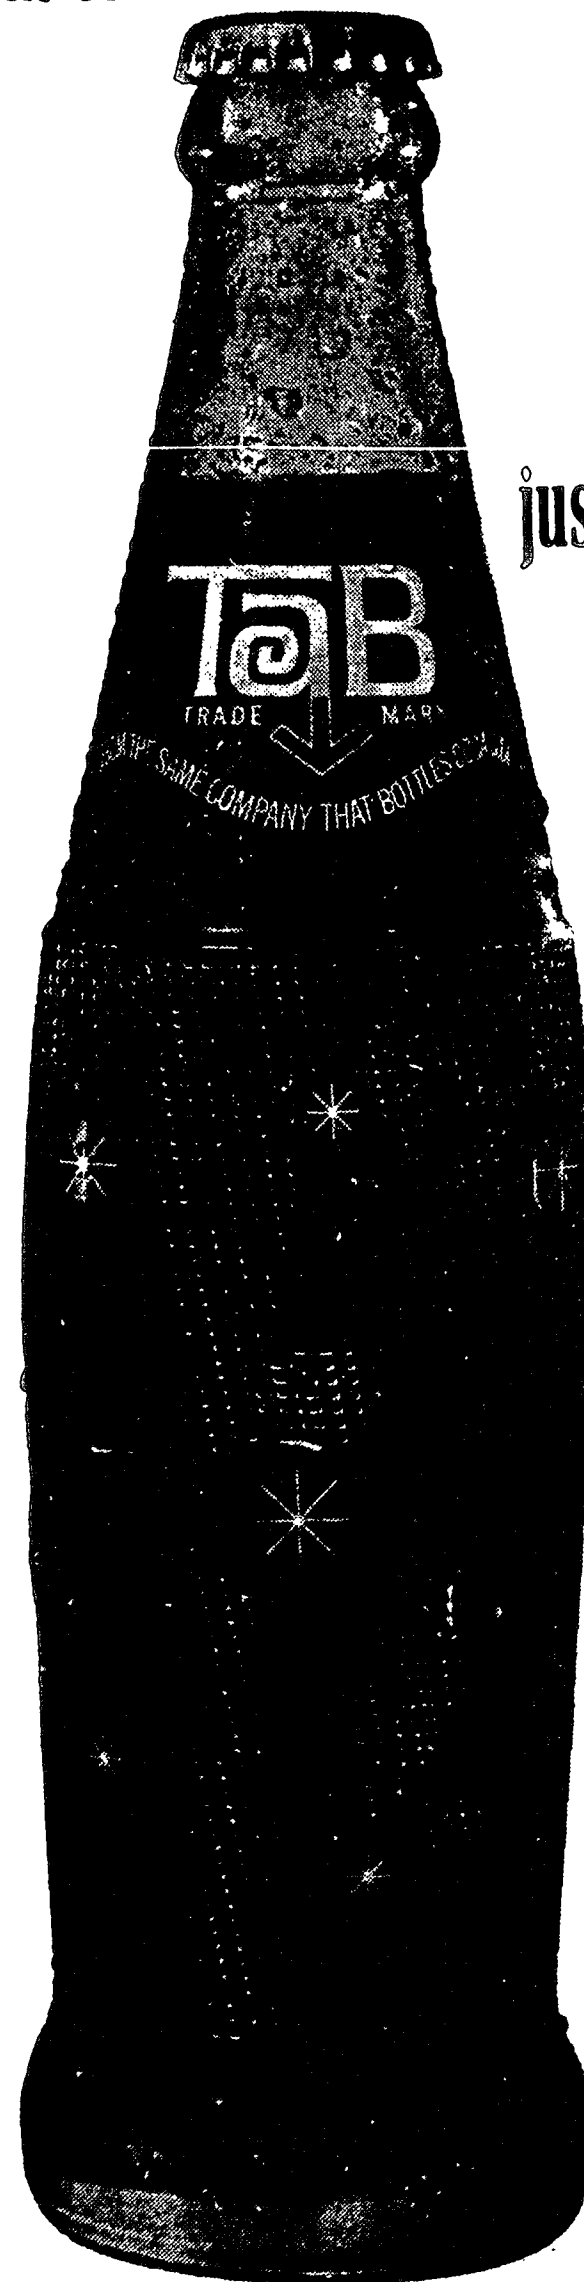

H. BULLY ZENGARLING
CANDIDATE FOR SHERIFF AND
TAX COLLECTOR
HANCOCK COUNTY

H. "Bully" Zengarling
